The Yorkshire County Cricket Club (“YCCC”) is a members club established over 150 years ago famed for its history, tradition and passion. Yorkshire cricket is renowned throughout the world. No other County in the history of the game has won more trophies and produced more players for England. The Club owns one of the premier international cricket venues in the world and hosts international matches on a regular basis. It has hosted some of the most iconic matches in the history of cricket.

The YCCC has a Board of Directors which is made up of Executive and Non-Executive Members. Historically the Non-Executive Members have been Members of the YCCC for at least two years. It has changed its rules this year to allow it to make two appointments from Non Members to allow us to improve the demographic on the Board and to have access to a broader talent pool.

The Board seeks a Non-Executive Director who can help support its mission to encourage a more diverse membership pool and more diverse participation at YCCC and within cricket in Yorkshire generally. To this end the Club welcomes applications from energetic ambitious candidates who are experienced in customer engagement and can demonstrate where they have made change happen. This experience could be from a sporting environment but it is not essential.

YCCC has a strong and positive culture and the essential requirements for the role are to have excellent communication skills, and work in a strong collaborative fashion.

The successful candidate will need the ability to develop and maintain effective professional relationships with a variety of stakeholders.

We are seeking applications from people from a broad range of backgrounds in order to diversify knowledge, skills and life experiences of our Board leadership team.

The YCCC is committed to having diversity of both skills and experience on our Board. Although previous Board experience is not a pre requisite, a willingness to help change happen is.

Those wishing to apply should send an email to Club Secretary Paul Hudson - paul.hudson@yorkshireccc.com with their expressions of interest.
