The Yorkshire County Cricket Club (“YCCC”) is a members club established over 150 years ago famed for its history, tradition and passion. Yorkshire cricket is renowned throughout the world. No other County in the history of the game has won more trophies and produced more players for England. The Club owns one of the premier international cricket venues in the world and hosts international matches on a regular basis. It has also hosted some of the most iconic matches in the history of cricket.

The YCCC has a Board of Directors which is made up of Executive and Non-Executive Members. Historically the Non-Executive Members have been Members of Yorkshire County Cricket Club for at least two years. It has changed its rules this year to allow it to make two appointments from Non Members to allow us to improve the demographic on the Board and to have access to a broader talent pool.

YCCC and the England Cricket Board, (its governing body) both recognise how important good governance is to the central work of the Board. The Board seeks a Non-Executive Director who has a strong background in governance and is willing to offer this experience in a Non-Executive capacity.

The successful candidate will be ambitious and have excellent communication skills as well as a thorough understanding and the ability to implement good governance to achieve optimum performance.

We are seeking applications from people from a broad range of backgrounds in order to diversify knowledge, skills and life experiences of our Board leadership team.

The YCCC is committed to having diversity of both skills and experience on our Board. Although previous Board experience is not a pre requisite, a willingness to help change happen is.
