2 INTRODUCTION

Yorkshire Vikings

The Yorkshire Vikings are the T20 team of the Yorkshire County Cricket Club, playing out of the historic Headingley Cricket Ground. The team is yet to lift the trophy. However, they reached Finals Day as recently as 2022.

The Vikings are known for their aggressive and expansive T20 cricket, boasting international talent and big hitters throughout the order including record-holding Adam Lyth, whose score of 161* is the highest in Vitality Blast history.

The T20 kit for the 2023 campaign boasts 653 affiliated clubs in Yorkshire, which is more clubs than the whole of Australia.

Northern Diamonds

The Northern Diamonds are one of the most successful teams in the domestic women's game. The side opened their Charlotte Edwards Trophy T20 campaign this year with four straight wins, but unfortunately just missed out on Finals Day, finishing fourth.

The side are comprised of the best regional talent from Yorkshire & the North-East, making up one of eight regional hubs in domestic women's cricket.

In 2023, as part of the #YorkshireFamily campaign, the T20 kit featured all 153 affiliated clubs in the region that are home to a women's team.
