

## JOB DESCRIPTION

The Yorkshire County Cricket Club

<b>Job Title:</b>	Senior Physiotherapist
<b>Department</b>	YCCC – Science and Medicine
<b>Reporting Line:</b>	Head of Science and Medicine
<b>Salary Band:</b>	S3 Physiotherapist - £36,000 - £38,000
<b>Location</b>	Headingley Cricket Ground (Includes travel to other training venues and away matches)
<b>Employment Type</b>	Permanent - Full Time

### Department Overview

The collaborative Yorkshire County Cricket Club Science and Medicine team aim to provide first class health and performance support to a wide range of players across the professional game, academy and pathway for both men's and women's teams. The medical department work closely with numerous stakeholders including coaches, backroom staff and the rest of the multi-disciplinary team aiming to provide the best service for improvement in player physical, mental health and wellbeing to maximise their full potential on the pitch.

### Job Purpose

The Senior Physiotherapist, reporting to the Head of Science and Medicine, will provide medical support services to Yorkshire County Cricket Club's Women's First Team (1XI) and Academy. This role will provide the highest standard of physiotherapy provision to our women's and girl's players with the aim to maximise player availability, health and athletic performance. This role will provide the 1XI and Academy dedicated, professional physiotherapy support for training and matches all year around including home and away matches and pre-season tours.
