Park Avenue News.

Only twice previously in all the forty years of Association football at Park Avenue has the club figured in the last eight of the F.A. Challenge Cup, and as they were defeated on each occasion it is hoped that it will be a case of third time lucky and the team will make history by securing a place in the semi-final.

Birmingham are at the top of the Football League (South) table and it will mean repeating our Maine Road display if we are to put an end to the St. Andrews men's Cup aspirations for this season.

Originally known as Small Heath Alliance when they formed in 1875, they embraced professionalism in 1884, became Small Heath, Ltd. in 1888 and changed the name to Birmingham in 1905.
