

MEMBERSHIP 2026

YORKSHIRE COUNTY CRICKET CLUB

FOREWORD BY SANJAY PATEL – CHIEF EXECUTIVE OFFICER

I am delighted to be writing to you as we launch our 2026 memberships, a year I hope will bring great success to Yorkshire CCC, both on and off the field.

As we reflect on 2025, there is much to celebrate. Our men have shown great spirit, building a foundation for sustained success in the Rothesay County Championship and excelling in the Metro Bank One Day Cup, illustrating the depth of young talent we have at our disposal.

The progress shown by our women's team has been inspiring. Ahead of our inaugural season in Tier 1, it's clear there is enormous potential. Breakout stars like Maddie Ward and Amelia Oliver have shown how much there is to be excited by. I know that, with your continued backing, we can make our women's team an area of real strength in the years ahead.

Equally pleasing is the progress of our pathway, with several players having signed their first professional contracts. Following the engagement roadshows that we held in late 2024, it was clear the strength of feeling all members had towards a thriving performance pathway. I know therefore how delighted all our members will be to hear of the emphasis we will be continuing to place on young, local talent over the next several years.

Off the field, membership once again remains the heartbeat of our Club. For the first time in over 12 years, we have surpassed 10,000 members. This includes over 1,700 women's cricket members who have boosted crowds at fixtures across the county in 2025. This continued growth in numbers and loyalty of you all has been incredible, and your commitment makes a tangible difference to everything we do.

Whilst prices for memberships in 2026 have been raised, they have been carefully structured to ensure they continue to offer excellent value whilst supporting the long-term growth of the Club and allowing us to improve the experience all members have at Yorkshire fixtures. The addition of Tier 1 women's cricket will offer more high-quality cricket to enjoy and we'd encourage you to use your memberships to get behind the team. We remain committed to ensuring we remain accessible to all and welcoming to the next generation of Yorkshire fans.

I would encourage you to share the Yorkshire experience with family and friends, and to take advantage of our excellent junior options to grow our community further.

Looking ahead, 2026 promises to be a pivotal year as we continue to shape the Club's future. From strengthening our cricket operations and facilities to safeguarding the revenue generated from the sale of the Northern Superchargers and re-developing our business plan, there are opportunities that will define Yorkshire for years to come. What will not change is our commitment to delivering success on the pitch, investing in our talent pathway, and ensuring that Yorkshire CCC is a club you are proud to be part of.

On behalf of everyone at the Club, thank you once again for your passion and support in 2025. Together, we now look forward to what promises to be another thrilling summer of cricket in 2026.

Kind regards,

Sanjay Patel
Group Chief Executive Officer, Yorkshire CCC

2027 PRIORITY

Headingley will host an England Men's One Day International (opponents to be confirmed) and England Women's Test Match against Australia in 2027.

2026 All-In members will receive priority access to purchase tickets automatically, alongside supporters that join the 2027 international ticket priority club.

It costs £35 to join the club and this will give you priority access to purchase up to six tickets per day of international cricket in 2026.

These are your only ways of guaranteeing access to purchase international tickets at Headingley.
